

## HEAVENLY ESCAPE IN BODRUM

Located in a secluded paradise in Tilkicik Bay, Yalıkavak, Bodrum, this property seamlessly blends into the natural beauty of its surroundings, offering an unparalleled luxury experience from sunrise to sunset. If I were to name places that must be seen in a lifetime, exploring the shores of Turkey's crystal-clear seas would be at the top of my list. The homeowner, Rose H. Bilge and her husband, share this passion to the fullest. Enchanted by Bodrum's Tilkicik Bay, They transformed this serene oasis into their personal paradise.

The inspiration behind this haven stems from their longing for the sun, warm weather, azure sea, and lush nature during their time abroad. Driven by this yearning, they chose a vast 1,000-square-meter plot in Tilkicik Bay, Yalıkavak, and embarked on a project. They worked together with luxury lifestyle brand creator and curator Selin Persentili Aral of SP Branding and created their brand named **Rose Beach Garden**—a luxurious villa featuring a remarkable collection of 28 art pieces. Sustainability was a fundamental principle in its architectural design, making solar energy, harnessed from natural resources, the lifeblood of the villa.

The four-story villa consists of two partially connected structures with terrace gardens. The ground floor of the main building houses two living rooms, two kitchens, and pantries. The second and third floors feature seven luxurious en-suite bedrooms, each with a breathtaking sea-view balcony. Committed to an eco-conscious lifestyle, has chosen sustainably sourced organic sun towels from 3rd Culture for the villa's wet areas.

A lover of hosting friends and eager to create an experience that rivals hotel comfort, the homeowner collaborated with Selin Persentili Aral to reflect their vision of eco-conscious lifestyle featuring sustainably sourced brands. As a result as a part of her team, The villa's unique and meticulously curated interior design was brought to life in partnership with Bodrum Nomads. The tranquil atmosphere, enriched by Homemade Aromatherapy's natural products, is further elevated by 3rd Culture's vibrant patterns and colors, Yastık by Rifat Özbek's exclusive cushion collections, and some of the artworks from Galeri Bosfor.

The curation of a 28-piece art collection, featuring works by Leyla Pekmen, Uğur Daştan, Olgu Ülkenciler, Ahmet Çerkez, Ilgın Seymen, and İpek Yücesoy, was created for the art enthusiast homeowners by Selin Persentili Aral and Göksen Buğra.

The villa's lush garden, adorned with towering palm trees, seamlessly integrates with the expansive horizon view. A jet-powered saltwater pool, offering a breathtaking panorama at every hour of the day, enhances the joy of outdoor living. The carefully designed layout—from the landscaped garden to the rooftop terrace—also creates an ideal setting for meditation, yoga, and personal wellness sessions.

With sunlit verandas, waterfront decks, and cozy fire pits, every detail of Rose Beach Garden has been meticulously thought and crafted by the homeowners to provide relaxation and togetherness in a serene atmosphere.

Nestled in the secluded paradise of Tilkiçik Bay, Yalıkavak, Rose Beach Garden effortlessly embodies luxury, blending it with nature's ever-changing beauty throughout the day. From sunrise to sunset, this hidden gem offers its residents a unique sense of peace and elegance, making every moment an unforgettable experience.
